For additional information about the NJ TRANSIT bus fares and ticket options, please consult the NJ TRANSIT Bus Rider Guide or our website, www.njtransit.com

All trips are operated with lift-equipped buses. NOTE: when traveling into or out of the Port Authority Bus Terminal or George Washington Bridge Bus Station, please call 1 (973) 275-5555 in advance for the location of an accessible boarding gate.

How to Use the 890 and 891 Flex Schedules

If the trip you wish to take is preceded by the letter F, then you will be taking a trip that will flex off-route to pickup or discharge a passenger.

Your trip will still operate over a fixed route. However, if there has been a request to do so, the bus will deviate approximately 3/4 mile off route to pickup or discharge a passenger who can not get to or from a regular bus stop on route.

You may arrange for this service by calling the carrier, Delaware River Coach, at 1 (908) 859-1125.

There will be no requirements or restrictions on who the bus will deviate off-route for. However, so that both routes may operate as efficiently as possible, NJ TRANSIT asks the following:

-If you are able to, please board or disembark the bus at regular bus stops along either route. Remember that if your trip has a request for an off-route pickup or discharge, your bus may operate a few minutes later at your pickup location or at your discharge location. If you wish, you may call Delaware River Coach at 1 (908) 859-1125 to determine if your trip will be operating late.

-If you cannot get to the regular bus stop, please call Delaware River Coach at 1 (908) 859-1125 to arrange for a pickup. The dispatcher will ask for your location, and then ask you if you are able to get to a convenient corner location where the bus will then pick you up.

-If you cannot get to a convenient corner, the dispatcher will try to arrange for a pickup location nearer your home. Please call Delaware River coach to arrange for this service.

Please note the following:

You cannot go from one route to the other using this service. If you are picked up on either route, you can only be taken to a location served by that route. You cannot be picked up on one route, and ask to be taken to a location on the other route. You will still be required to transfer to the other route at a convenient transfer location.

If you need to take advantage of the flex service, please note that you must call at least one hour before the scheduled trip time. The dispatcher will try to accommodate all requests, however, if there is a problem with the trip requested, the dispatcher may ask you to take an alternate trip. Please call as far ahead as possible.
