The Aquarium is home to the largest collection of sharks on the East Coast, including the only great hammerhead shark on exhibit in the United States as well as two rare scalloped hammerhead sharks. It is also the only aquarium in the world to exhibit hippos, one of only six facilities in the US to have Little Blue penguins as permanent residents and the longest Shark Bridge in the world with a unique V-shaped rope suspension bridge just inches over Shark Realm.

Adventure Aquarium is an accredited member of the Association of Zoos and Aquariums (AZA), and is held to the absolute highest standards in animal care and exhibition.
