N.J.A.C. 16:76 – New Jersey Transit Private Carrier Capital Improvement Program Guidelines and Procedures

Summary

The proposed new rules re-promulgate expired rules governing the procurement and leasing of capital improvements and equipment to private motorbus carriers for the operation of regular route bus service. In accordance with the sunset provisions of Executive Order No. 66 (1978), N.J.A.C. 16:76 expired on February 4, 2007 and, therefore, New Jersey Transit Corporation (NJ TRANSIT) proposes this chapter as new rules.

The proposed new rules are designed to govern the procurement and leasing of capital improvements and equipment to private motorbus carriers pursuant to N.J.S.A. 27:25-5 (h) and (k).

Subchapter 1 describes the purpose of these rules and the applicable definitions.

Subchapter 2 sets forth the guidelines and criteria to be followed in determining the eligibility of private bus carriers and the regular route bus services operated by the carriers for participation in the Private Carrier Capital Improvement Program (PCCIP); factors to be considered for eligibility for the program; disposal of capital equipment; source of funds for the program, allocation methodology of PCCIP funds to participating carriers; eligible and ineligible uses of allocated PCCIP funds and bus rehabilitation or refurbishment program process.

Subchapter 3 sets forth the determination of eligibility notification and dispute process procedures to be used.

Copies of the proposed rules can be obtained by writing to:
