TRAVEL TIPS

TRAVEL BY TRAIN

FROM SECAUCUS JUNCTION:
• Prior to boarding the train, you must buy a train ticket from a Ticket Vending Machine (TVM).
• Train departures are posted on departure boards and monitors throughout the station.

TRAVEL BY BUS

TO NEW YORK CITY, PORT AUTHORITY BUS TERMINAL (PABT):
• Where possible, pre-purchase tickets. Ticket Vending Machines (TVMs) are located at Harmon Meadow (across from Embassy Suites and Hyatt Place).
• Bus stops are indicated by a bus stop sign. When the bus approaches, hail the bus by waving to the operator.
• When you get on the bus, tell the operator where you are going and present your ticket or pay the fare. If you are boarding a bus and did not purchase a ticket, exact change is appreciated.
• When the bus arrives at Port Authority Bus Terminal, gather your belongings and wait until the bus comes to a complete stop. The arrival gate is located two levels above the street. Take escalators, stairs or elevators to the street level.
• Depature gates for your return trip are located in another area of the building.

RETURNING TO NEW JERSEY FROM PORT AUTHORITY BUS TERMINAL (PABT):
• For NJ TRANSIT buses, enter the terminal at the 8th Avenue entrance between 40th and 41st streets.
• You must purchase tickets before going to your departure gate. For your trip to New Jersey, NJ TRANSIT Ticket Windows at PABT are located on the main concourse and up a short flight of steps in the middle of the terminal. Identify the gate number you will depart from by checking the printed bus schedule or visiting the Customer Service Office.
• Departure gates are on the 2nd floor. Use escalators or elevators and follow signs for your gate number. Board the bus through the front door.
• When the bus approaches your destination, alert the operator by pressing the call button above or the signal tape between the windows. An audible bell will sound and light up at the front of the bus indicating that a stop has been requested.
• Gather your belongings and wait until the bus comes to a complete stop before getting up.

TRAVELING BY LIGHT RAIL

• When you arrive at a light rail station, purchase your ticket from a Ticket Vending Machine (TVM).
• Insert your ticket into a time-stamp machine located near the TVM. Your ticket will be valid until the date and time shown.
• Keep your ticket with you as you travel to show valid proof-of-payment upon request.

KNOW BEFORE YOU GO

• Plan your trip there and back by consulting our online Trip Planner or a schedule to determine your departure time, location and fare.
• Plan your return trip before you leave. Remember your Bus Route Number, and the name and location of your hotel.
• Purchase two one-way tickets for round-trip transportation to speed your return. Tickets must be purchased before boarding buses at New York Port Authority Bus Terminal.
• Tickets can be purchased at Ticket Vending Machines (TVMs) and ticket windows located at major stations and terminals. For your convenience, TVMs are located at Harmon Meadow (across from Embassy Suites and Hyatt Place).
• Arrive at your departure location 5-15 minutes prior to the scheduled departure time. Please allow extra travel time during the weekday rush hour.
• Try to travel light; space on-board buses and trains is limited to accommodate carry-on items in overhead racks or beneath your seat. Larger items such as strollers or oversized luggage must be stored within the bus undercarriage, if available, and require assistance from the bus operator.
