**Fare Information**

This is an example page from a NJ Transit bus schedule. Passengers are required to have exact fare when boarding buses on this line. Buses that travel into and out of U.S. cities are accepted. Please do not carry money and never hand change to a conductor. Cash payments are accepted at all bus stops.

**How to determine your fare**

Your fare is based on the number of stops you travel through. Check the map on this schedule to see how many stops you travel. Each time you cross a fare boundary, you need pay for another zone.
