**Important Changes**

**what’s new for riders**

**BUY BEFORE BOARDING** - To improve your commute through the George Washington Bridge Bus Station, we are introducing a new procedure that will save the boarding process time. In the future, all riders in the bus terminal will be required to have a ticket or monthly pass before they board the bus at the George Washington Bridge Bus Station. However, if you do not have a ticket, you can purchase one from an NJ TRANSIT ticket vending machine or ticket window located in the waiting room on the same level as the bus departure area. Ticket sales also may be purchased through the NJ TRANSIT Mobile App. Tickets of NJ TRANSIT Mobile App will no longer be accepted by the operator. The entire bus station is fully ADA accessible. The gates are accessible by elevator or escalator from Fort Washington Boulevard.

My NJTransit, a feature of the NJ TRANSIT Mobile App, offers tickets and monthly bus passes for this service. Download or update the free app for the latest features.
